GAME OF
THRONES

NEW SCOTCH WHISKY
JOINS THE REALM.

INTRODUCING
JOHNNIE WALKER
A SONG OF ICE

Inspired by the iconic sigil of House Stark, Johnnie Walker A Song of Ice features a crisp, clean taste and the unrelenting force of ice that shapes mountains and deep rivers. The blend includes malt from Clynelish, one of Scotland's most northern distilleries.

The bottle design evokes an atmosphere with frosty blue and grey colors inspired by the North, known for its cold winters and frozen landscapes.

Johnnie Walker A Song of Ice has an ABV of 40.2% and is best enjoyed over ice, delivering a cold, smooth finish.

NEW SCOTCH WHISKY
JOINS THE REALM.

INTRODUCING
JOHNNIE WALKER
A SONG OF FIRE

Inspired by the iconic sigil of House Targaryen, Johnnie Walker A Song of Fire is rich and spicy, boasting flavors of subtle smoke from the peated malts of the Caol Isha distillery like a scorching black left by furious flames.

The bottle design evokes a fiery setting with deep red colors inspired by the dragons of House Targaryen, feared for their fire-breathing.

Johnnie Walker A Song of Fire has an ABV of 40.8% and is best enjoyed neat, delivering a rich, smoky flavor which lends a warm, smooth finish.
